Set on undoubtedly one of the premier streets in prestigious Bukit Damansara, this exquisitely designed home by the late Australian architect, John Mobbs, not only boasts a secure, guarded location but enjoys an enviable elevation to take in the sprawling views, being on one of the highest points in the whole neighbourhood.

Exuding opulent style and charm, this house offers a large layout with 7 generous bedrooms and spacious reception rooms spread over four floors, and a sub-basement floor which houses a 4-car garage. The grand proportions are no more evident than in the 1,275sf master suite which includes a sitting room, study, an expansive walk-in wardrobe and an extra-large balcony. The wide open-plan living room and double-height dining room means this home is equally suited for both lavish entertaining and intimate casual gatherings. Elegant imported Canadian maple floors are featured throughout, amongst other high-quality finishes.

Prestige, security, unparalleled privacy. This is an amazing opportunity to own a special family home in one of Bukit Damansara's best locations. For a full appreciation, please contact U Kian for more details and a private viewing.
